

VERSE OF THE MONTH

But my God shall supply all your need according to his riches in glory by Christ Jesus. Philippians 4:19

Mike's Corner

Hello everyone,

I hope everyone had a great Easter holiday. We are approaching the summer months here at the mission with several things on our agenda. We are happy to report that our food pantry is back up and distributing food bags to those who are in need, however it is on a limited scale. There are many individuals in our area who depend upon our help and with our pantry low on non-perishables we ask for your assistance in any way. Our recently purchased van is performing well and meeting the needs of our residents. The new larger vehicle has created a greater demand on our fuel budget, but that is to be expected. Once again, I extend out an invitation to everyone to visit our thrift store and check out the new operations. The thrift store managers, Ryan and Ronnie, would love a visit from you. In the coming months we plan to do some much-needed renovations to our dorms and properties. We thank all our donors and supporters that make what we do here possible always knowing we are working for The Lord (Col. 3:23).

May God Bless Each of You
Mike Gravette,
Program Director

DIRECTOR'S NOTES

31st Anniversary of ARM "May Day, May Day"

Dear Supporters and Friends of ARM,

First of all, thank all of you so much for your support and prayers. Also, a special thanks for your drop-off donations. They are a big help to us. The term "May Day" may be a distress signal, however, with us, it is a double-edged sword. We are blessed the Lord has sustained this ministry for over 30 years. We offer help to any man, woman or child, and have the largest public feeding program in our area, and most important, we share the love and Gospel of the Lord to **the least, the last, and the lost**. It's not easy, but we must trust the Lord to provide for our needs. Every soul is special to the Lord. Again, thank you all for your support in these trying times.

Please look inside the newsletter for some practical ways that you can help us to feed the hungry.

Now our "May Day" – our food prices are increasing. We are now entering our highest 6 months for utility bills. These are also the lowest months for donations. The national economic concerns in these times are hurting the poorest people, and they turn to us for help. This ministry receives NO help from the government . . . we depend on God's provision through you. We have details inside the newsletter about how you can help. Please keep us in your prayers.

I also want to thank Bro. Christopher Liberto for maintaining our website. You can read our books online and view some preaching videos & music – please visit us at www.AlbanyRescueMission.org

May the Lord bless you and your family as we serve Him,

Bro. Larry
Director
