DIRECTOR'S NOTES

FREEDOM IS NOT FREE!

Dear Supporters and Friends,

Thank you for your support and prayers.

I'm sure you have heard the statement "Freedom is not free." That is true. Countless thousands of men and women have fought and died for your nation in order to provide the freedom that we enjoy today. And this dates back to the origins of our nation. We should be thankful for all the men and women who serve. We pray for them and their families.

ETERNAL FREEDOM IS FREE

Now, let's talk about a freedom that is free. The Lord Jesus said in John 8:32, "*And ye shall know the truth, and the truth shall make you free.*" Man can set you free, but only the Lord can MAKE you free. The Bible says in Romans 6:23b ". . . *but the gift of God is eternal life through Jesus Christ our Lord.*" Even this freedom had to be paid for. The Lord said, "*Greater love hath no man than this, that a man lay down his life for his friends.*" (John 15:13) The greatest love story of all time . . . "*For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*" (John 3:16) He paid a debt He didn't owe, to pay a debt we couldn't pay. He paid it all. "*But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us.*" Romans 5:8

This is what we share with the men, women, and children who come to the Mission for help.

May you and your family have a blessed holiday.

Saved to serve,

Bro. Larry

REACHING THE LEAST, THE LAST, THE LOST

MISSION MOMENTS

Mike’s Corner

Hello everyone,

*Bro. Larry Hample wants me to share this message with our donors, supporters, and friends, that the mission is functioning on our regular daily schedule. Our thrift store has resumed its pre-COVID operating hours and all operations are moving forward on a regular day to day basis. COVID-19 has changed the face of many things. Lives have been lost as well as jobs and businesses, how we work and talk which now should be from a distance. We are familiar with the term “normal” well now we are saying “new normal”. There is nothing “abnormal” about this, “challenging”, sure. As Christians, as human beings with a soul, we were warned about this long ago in 2nd Timothy 3:1. We, as in all of us living today, just so happen to be living in the time that this prophecy is being fulfilled. God’s blessings, provision, and compassion is still here, and he has not stopped doing miracles. How else could you explain with the influx of those who request what God has enabled us to provide, **we are still presently COVID-19 free**. There are those who would say so, they are called secular humanist, liberal, and or evolutionist. I call them the same thing Jesus called them, unbelievers. This is not a happenstance, this is the power of prayer, God’s mercy, and protection on those who exercise faith, trust, and belief in Him. We are not through this yet, there is still more to come and the unbelievers will continue to struggle for answers, assign blame, and explain away the conditions and situations of a world that was created for us, not by us. We are created by God; we did not evolve. We will sit back and let the unbelievers do what they do best, “Struggle”. I got some bad news for them though; it is going to get worse before it gets better. We are facing our own struggles here at the mission, we have been hit hard with the depletion of our nonperishable food supplies, disinfectants, cleaning supplies, toiletries, and paper towels. At the same time, we are seeing an increased disbursement of funds to make the necessary adjustments internally and meet the needs of many in our community who have been affected by this virus. This is our daily struggle we meet head on, and we welcome your prayers and support as many of you continue to do so daily, monthly, and yearly. We continue to keep each of you in our thoughts and prayers and we hope you and your families be well and stay safe...*

May God Bless Each of You
