

VERSE OF THE MONTH

But my God shall supply all your need according to his riches in glory by Christ Jesus. Philippians 4:19

Mike's Corner

Hello everyone,

As we were amid the pandemic last year you may recall that I ended this conversational piece in the May 2020 newsletter by stating "we are strong". Now here we are approaching May 2021 and we are still here doing The Lord's work. I'm not going to tell you that it was smooth sailing. Far from it, however, we are extremely fortunate to not have had one reported case of COVID-19. What we do have though is a ton of unanswered questions about this virus? A virus that has "allegedly" taken so many lives and truthfully cost millions their jobs and livelihoods. Do you think the mainstream media is telling us the truth? Let us consider what they are telling us? At the time this is going to press the mainstream media reports over half a million people are dead. There are seemingly uncontrollable mutations and different strains of the virus appearing. Numerous vaccines conveniently pop-up weeks before the new presidential administration takes office. Forgive me Lord and all of you that are reading this but with a virus that largely has the same symptoms as the flu, I call foul on all this pandemic of propaganda. Keeping well in the forefront of my mind as I hope and pray all of you will (2 Tim 3:13). But evil men and seducers shall wax worse and worse, deceiving, and being deceived.

May God Bless Each of You
Mike Gravette,
Program Director

DIRECTOR'S NOTES

33rd Anniversary of ARM "Emergency May Day, May Day"

Dear Supporters and Friends of ARM,

Let me start by thanking all of you for giving extra and donating at this time. We know that you and your families are suffering in these trying times due to the COVID-19 pandemic and we pray for each one of you daily. As I look back on the 33 years of service here at the Albany Rescue Mission, I must tell you without your support this could have never happened. Many of you know what we stand for here which of course is and has always been bringing men, women, and children to the saving gospel of our Lord and Savior Jesus Christ. I was adopted at the age of 3 by a good family that save my life physically. Then at the age of 40, I got saved by the Lord who gave me eternal life and saved my soul. We hope and pray that you have trusted the Lord. Only Jesus saves! We continue to offer help to any man, woman, or child and have the largest public feeding program in our area. Most importantly, we share God's love and the only saving gospel of our Lord Jesus Christ, to **The Least, The Last, and The Lost.**

Please look inside the newsletter for some practical ways that you can help us to feed the hungry.

Now our "May Day" – our food prices are increasing. We are now entering our highest 6 months for utility bills. These are also the lowest months for donations. The national economic concerns in these times are hurting the poorest people, and they turn to us for help. This ministry receives NO help from the government . . . we depend on God's provision through you. We have details inside the newsletter about how you can help. Please keep us in your prayers.

I also want to thank Bro. Christopher Liberto for maintaining our website. You can read our books online and view some preaching

videos & music – please visit us at www.AlbanyRescueMission.org

May the Lord bless you and your family as we serve Him,

Saved to serve,
Bro. Larry Hample
