

VERSE OF THE MONTH

The grass withereth, the flower fadeth: but the word of our God shall stand for ever.

Isaiah 40:8

Mike's Corner

Hello everyone,

We are on the approach to spring and things have been moving at a quick pace around the mission. Spring brings to the surface much needed things to do around the mission. Our "to do" list would not exist if not for our donors and supporters. We've seen a steady intake of new residents the first couple of months of this year, and we're thankful that The Lord has led them to us, and we are able to meet the needs that they have. We also have an upcoming baptism and graduation the first week of March. The remaining items and issues on our list of things to do will keep us busy until we get ready to usher in fall I'm expecting, but that's a good thing. We encourage everyone to please feel free to pay us a visit if you have any questions about our daily operations or you would like to know how you can help.

*May God Bless Each of You

DIRECTOR'S NOTES

Moving on With Your Help

Dear Supporters and Friends,

Every day, many homeless and needy men, women and children turn to the Albany Rescue Mission for help. We thank you for your help! Since 1989, we have been providing for those in need by sharing food, shelter, and the Good News of the Gospel of the Lord Jesus Christ. Our feeding program is extensive, **serving more than 7,000 meals each month. In addition to the 3 meals a day we serve to our residents, we also serve 2 meals a day, 7 days a week, 365 days a year to anyone who comes.**

I want to thank each one of you that support this ministry. I would also like to remind you that all the people who have trusted The Lord for their salvation over the years, every one of you have played a part in their salvation which is always our top priority. I would like to share with you a quick update on our new warehouse, we are please to report that we are open for business and still working on some finishing touches. We invite you to stop by and check things out. There are two areas we need prayer for. Our utilities hit over \$6,000.00 total from all our locations. This is the highest bill ever! Also last year we paid \$5,000.00 for our building insurance. However, without any claims filed they wanted to charge us \$25,000.00 for coverage this year. The best deal we could finally get was \$10,000.00 which is double what we paid the pervious year. The situation just does not seem fair. We ask that you please pray for us.

Because of our strong Christian stand, **this ministry does not receive government funding**, and therefore, we rely on God's provision through private donations. We publish books, CD's, and DVD's to help spread the Word of God. We also maintain a website to spread the Word of God on a global level and provide insight to anyone who maybe curious about our organization. Our web address is www.AlbanyRescueMission.org. The Lord has blessed this ministry for 33 years. We are trusting The Lord to reach The Least, The Last, and The Lost.

May God bless you and your family.

Saved to serve,

Larry Hample

Founder/ Director of Albany Rescue Mission
