We have several new residence in our New Beginnings Program, two are in poor health, one of which needs colostomy bags. Another two will be here for a while because of their need for SSi, and thankfully we have two that are due to graduate, one of which is working full time and driving for us 6 days a week. Thanks to your support\ we are able to continue to provide the necessities of those who come to us in their time of need, and are most blessed seeing their lives transform to the glory of God.

DIRECTOR’S NOTES

News & Needs

Dear Supporters and Friends,

We thank you so much for your continuing support of the Mission. As this hot summer starts to wind down, we want to bring you up to date. We still have not had one COVID case. Between all our locations, and all the public we serve we should have been a hotspot. We think The Lord has protected us, so that we could stay open. We thank you for all your gifts. (The most important service we provide is often overlooked. We show each one who comes to us how much God loves them. As we share God’s plan of salvation, we let them know how trusting in The Lord can change their lives.)

At the present time, the Mission is near capacity. **This is our most difficult time of the year. Our funds are lower than this time last year, and our need is even greater now!** We run 5 vehicles full-time; fuel is averaging over \$350.00 per week. Last month’s utilities for our 14 locations totaled \$5,645.00 due to higher rates and we are still feeding over 7,000 meals per month. Also, our non-perishable food items are in low supply.

Many of you have given extra to help with our needs, and we thank you for your help. The Lord has blessed us through these many years. He has always supplied our needs through many caring people. We hope and pray you will be able to help us to meet these needs. Lastly, we publish many free books. These books can be found on our website @ albanyrescuemission.org

Thank you, and may the Lord bless you and your family.

Bro. Larry Hample

REACHING THE LEAST, THE LAST, THE LOST

REACHING THE LEAST, THE LAST, THE LOST

MISSION MOMENTS

~ OH NO ~

Our Maintenance truck was totaled, she was old, but was the best running truck we had. This loss has really hurt our ministry. Our maintenance division vehicle allows us to respond quickly to the sudden catastrophes that pop up when dealing with 100 year old buildings & older vehicles. The loss of this vehicle has put the kitchen floor rebuild behind schedule and has put other small jobs on the back burner. Our maintenance division has been a huge blessing unto many others outside of our ministry as well and we are praying for the right replacement vehicle.

~ Pandoras Box Has Been Opened!!! ~

We have run into major unexpected troubles as we opened our kitchen floor, from rotten floor joist, to sagging walls. We are thankful that it has lasted as long as it has and has allowed us to feed hundreds of thousands over the last 34 years. Due to unforeseen events (loss of our maintenance truck and unforeseen damages we have encountered) we are behind schedule, but we are confident in the Lord's provision that we will continue to work until it is completely finished. Thankfully we are able to rebuild and with your support it will be built to last another hundred years.

HOPE FOR THE HOMELESS
