

# Albany Rescue Mission Inc.

## 25<sup>th</sup> yr. Anniversary

For the last 25 years A.R.M. Inc. has served Albany and the surrounding area. We have fed, clothed, and housed, thousands of people. Our men's program division houses 45 men. Our women & children division houses 20 women & children. They go through a bible based program to show them that God loves them in spite of their past. We have the largest feeding program in the area. We feed the public over 7,000 meals a month, and give an average of 95 food bags per month. We pray that you will help us care for those who need help.

**May the Lord Bless you & your family.**
