

Attention!!!

Regular supporters, our cash on hand is well below last year's level. As you consider your year-end giving, we pray that you would help us to continue to care for The Least, The Last, and The Lost. This is the time of year that we need to bring in extra funds to carry us well into the next year. We also need to raise enough funds to help pay for upgrades to our locations. We thank you for continued support. May the Lord bless you and your family as we serve him.
