DIRECTOR'S NOTES

34rd Anniversary of ARM "Emergency May Day, May Day"

Dear Supporters and Friends of ARM,

Let me start by thanking all of you for giving extra and donating at this time. We know that you and your families are suffering in these trying times due to the current global issues plaguing us, and we pray for each one of you daily. As I look back on the 34 years of service here at the Albany Rescue Mission, I must tell you without your support this could have never happened. Many of you know what we stand for here which of course is and has always been bringing men, women, and children to the saving gospel of our Lord and Savior Jesus Christ. I was adopted at the age of 3 by a good family that save my life physically. Then at the age of 40, I got saved by the Lord who gave me eternal life and saved my soul. We hope and pray that you have trusted the Lord. Only Jesus saves! We continue to offer help to any man, woman, or child and have the largest public feeding program in our area. Most importantly, we share God's love and the only saving gospel of our Lord Jesus Christ, to **The Least, The Last, and The Lost.**

Please look inside the newsletter for some practical ways that you can help us to feed the hungry.

Now our "May Day" – our food prices are increasing. We are now entering our highest 6 months for utility bills. These are also the lowest months for donations. The national economic concerns in these times are hurting the poorest people, and they turn to us for help. This ministry receives NO help from the government . . . we depend on God's provision through you. We have details inside the newsletter about how you can help. Please keep us in your prayers.

You can read our books online and view some preaching videos & music – please visit us at www.AlbanyRescueMission.org

May the Lord bless you and your family as we serve Him,

Saved to serve,
Bro. Larry Hample
