

## VERSE OF THE MONTH

*Way in all these things we are more than conquerors through him that loved us. Romans 8:37*

### The Testimony Of Brother David Jones

Hello everyone,

*I first came to the Albany Rescue Mission almost three years ago because of problems with alcohol. I had lost a job due to my drinking and had also lost my last remaining immediate family member and needed help. At the Mission I found people who had been where I was, and also re-connected with Jesus. I was given several different jobs within the Mission and found myself part of a family again.*

*Personal issues came up which caused me to want to drink again so I left after just over two years and wound up in a program in another city but returned "home" in November of 2022. I have learned much about myself in the last three years and have the Albany Rescue Mission (as well as you, our donors) to thank you for helping me get my life back together again. I truly enjoy serving God and the Mission in my current role at the Thrift Store and am forever grateful for the opportunity I have been given.*

*I just recently celebrated six months of sobriety which I could not have achieved without God's Divine help and the Albany Rescue Mission. As the song says, "Thank you for giving to the Lord, I am a life that was changed!"*

*May God bless each and every one of you.*

David Jones

## DIRECTOR'S NOTES

### 35<sup>th</sup> Anniversary of ARM "Emergency May Day, May Day"

Dear Supporters and Friends of ARM,

I want to take time to tell you about William and Allison Daniel, who have taken over daily operations at the mission. William better known as Little Larry is sold out to serve the Lord. Because of my health conditions I am doing my work from my home office. I will have to have an operation. When I go to Heaven, Little Larry will be the New Director. I pray you will give your support, Keep me in your Prayers, My operation is scheduled for May 2<sup>nd</sup>.

Many of you know what we stand for here which of course is and has always been bringing men, women, and children to the saving gospel of our Lord and Savior Jesus Christ. I was adopted at the age of 3 by a good family that save my life physically. Then at the age of 40, I got saved by the Lord who gave me eternal life and saved my soul. We hope and pray that you have trusted the Lord. Only Jesus saves! We continue to offer help to any man, woman, or child and have the largest public feeding program in our area. Most importantly, we share God's love and the only saving gospel of our Lord Jesus Christ, to **The Least, The Last, and The Lost.**

*Please look inside the newsletter for some practical ways that you can help us to feed the hungry.*

Now our "May Day" – our food prices are increasing. We are now entering our highest 6 months for utility bills. These are also the lowest months for donations. The national economic concerns in these times are hurting the poorest people, and they turn to us for help. This ministry receives NO help from the Federal Government . . . we depend on God's provision through you. We have details inside the newsletter about how you can help. Please keep us in your prayers.

You can read our books online and view some preaching videos & music – please visit us at [www.AlbanyRescueMission.org](http://www.AlbanyRescueMission.org)

Where you can donate online through PayPal.

May the Lord bless you and your family as we serve Him,

Saved to serve,  
*Bro. Larry Hample*

# REMEMBERING & HONORING

**Roofs, Roofs and More Roofs**

We thank the Lord for His provision, he has made a way where there seemed to be no way. Thanks to the City of Albany, Dougherty County, and Crosby's Roofing (CRG). We are proud announce we have new roofs on Our Office, Kitchen, and Men's Dormitory. This is a huge blessing. Now that we're all dried in we will be able to continue to improve our 100 year old buildings. We want to thank The

Dougherty County Board of Commission and their staff for their diligence, and dedication to make this happen and to Commissioner Edwards for presenting This great need before all parties involved, Thank You to All.

This whole experience has been amazing, what started out as a simple prayer, was channeled through an entire city and county and a year later God came through with a group of like-minded people and provided a great need and huge blessing, and for that we praise Him.

*Matthew 21:22 - And all things, whatsoever ye shall ask in prayer, believing, ye shall receive.*

Again I thank each individual that played a part in this blessing.

**OFFICE ROOF BEING REPAIRED**

**Mission Update**

We just celebrated the graduation of two women and one man, and are Still rejoicing over the baptism of two men and one woman. As flowers Begin to bloom so has the lives of these residence, who came to The Albany Rescue Mission in a desperate search for a new life, and found that life In Christ Jesus or Lord. We also have several new residences, each with a list of needs such as I.D.'s, Birth Certificate and SS cards.

**KITCHEN ROOF BEING REPAIRED**

Apart from daily transportation to doctors, haircuts, probation, classes, prescriptions and many other appointments. Without your support these services and other ones we provide would not be in place to help these men and women.

Now that our buildings are dried out inside, we ask the Lord for Provisions for windows and paint. We are also in great need for a heating and cooling solution for our old buildings. The last 34 years of using window units has rotted away our window sill plates, and not to mention the cost of having to replace units almost every year when one or more go out.

**Thank You**

Thank you on behalf of my family, and the residence of the Albany Rescue Mission for your continual support in blessing The Least, The Last, and The Lost. It's because of your generosity that the goodness of God is shown unto those whom He leads to our door. They often arrive broken and in despair. As time passes and daily provisions are met, and the gospel presented their eyes brighten up and they have hope. Lives are being changed and you are a part of that change. Thank You !!!
