DIRECTOR'S NOTES

Have a Blessed New Year
2025

Dear Supporters and Friends,

First of all, I want to thank all of you that helped support this ministry in 2024. Last year we housed, fed, and clothed more people than ever. We are starting our 37th year of operation, and I want to say here, if it was not for your care & compassion, this Ministry would not be here.

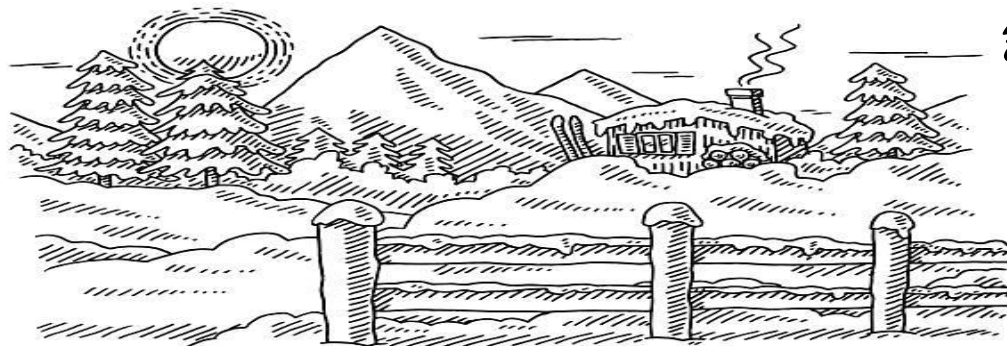

Keeping in mind the most important work we can do is share the saving gospel of our Lord Jesus with everyone that comes to us. We also want to thank Miss Juanita and her friends and family for helping with our Christmas Party. Also a special thanks to all of you that gave non-perishable food to help us feed over 3000 meals during Thanksgiving, Christmas, and New Year holidays.

Around the end of January 2025, we will also be sending out letters to everyone who gave monetarily during 2024. If the letter you receive does not match your records (ie. checks not listed), please write us at the Ministry Office (604 North Monroe St. Albany GA, 31701) or call us at (229-435-7615) and we will send out a new letter with the corrections on it.

Your Brother in Christ,

Bro. Larry Hample

Founder / Director A.R.M.

REACHING THE LEAST, THE LAST, THE LOST

Celebrating 37 years of Service

By Brad McEwen: Printed on Friday, November 15, 2013

ALBANY — Back in 1989 Albany resident Larry Hample opened the doors of his Residence Avenue home to the needy and the Albany Rescue Mission was born. Twenty-five years later, the organization still operates as a model of brother helping brother. Since its inception, those with the Rescue Mission have worked diligently through private donations to provide clothes, food and shelter to countless numbers of people needing assistance. Last year alone the mission served more than 85,000 free meals to the hungry. The mission serves two public meals a day, breakfast and lunch, and never turns anyone away. “We just let the Lord handle that part,” Hample said. “How do you turn someone down who needs help? That’s not our decision. ”Serving more than 7,000 meals a month, the Rescue Mission runs the largest feeding mission in the area, but its work doesn’t end there. In addition to serving meals to the needy, the mission also provides shelter to those willing to work a 12-week program that Hample believes will get residents back on their feet. Currently, the men’s program houses 45 men, while the women’s shelter houses 20 women and children. All who stay at the mission go through a Bible-based program designed to teach them that God loves them in spite of things that happened in their past. “We’re not just feeding people,” said Hample. “We’re giving them an opportunity to get their lives straightened out. When they come here, of course, they’ve got to make their peace with God and we give them that opportunity. We show them even though they’ve been beaten down, God loves them.” (Article from The Albany Herald)

Special Thanks To All Our Volunteers That Helped Make All Our Holiday Meals a Big Success

Notes To Our Readers

Dear Friends & Family of The Mission,

Can you believe another year has come and gone? How time flies when you're having fun! First let me say thank you from the bottom of our hearts for all of the love and support you have faithfully shown us this year. We have had a generous outpouring of food, clothing and volunteers like no other year. As we close on our 36th year and begin moving into our 37th year I just want to say we could not have done this without you!

We have given out thousands of pounds of food each week thanks to your donations and "Feeding The Valley" food bank. Lord willing, we can continue this throughout 2025! We were able to provide fresh fruit and vegetables and emergency food bags. Amanda and I go to Feeding The Valley two times a week and load up on 30-40 flats of grapes, 600lbs of Apples and about 800lbs of potatoes. As well as lots of sweets and chips. While some stuff we get there is no charge we do pay for most of the items we get there. That is where your donations have helped us get thousands of pounds of food to give out and serve as hot meals!

Please don't forget us in these colder months. It is going to be cold and wet, and we need to make sure we can keep the homeless warm and as dry as possible. Please check out our Amazon wish list on our Facebook page. We have listed hats, gloves, socks, blankets and sleeping bags! If you have old coats and sleeping bags you don't use, we would be happy to accept them! If you have a large load that you need picked up please call our Thrift Store (229) 431-1125 to schedule a pickup.

Thank You Again. Your Sister in Christ,

Apphis McGrady
